Resources and Facilities

The Learning Bus is equipped with:

- a hydraulic lift for wheelchair users
- a projector and smart board screen for interactive use
- a number of desks and seats
- electric and plug sockets

On site facilities include toilets with disabled access, shower, mother and baby change.

We are delighted to have acquired the Spinney Learning Bus at the Wisbech Adventure Playground.

The Learning Bus means we now have a facility to promote children, young people, adult and family learning.

The Learning Bus is available for use free of charge to local services (education, cultural, guidance, advisory and youth and community) to host outreach sessions to benefit members of the local community.

“We are very proud of all that we can offer the children and families of Waterlees”

Cllr. Bywater, Chairman of the Children and Young People’s Committee
